## COMPANY PROFILE

Clean State Solutions LLC is a responsive government and commercial supplier serving the Washington, D.C. metropolitan area, Northern Virginia, and select Maryland submarkets. We simplify sourcing and fulfillment for office, janitorial, MRO, facility, and operational requirements - helping customers reduce procurement friction and maintain readiness.

## CORE COMPETENCIES

**Office & Administrative Fulfillment**
Office supplies, stationery, paper, workplace consumables, mailing and organizational products.

**Janitorial & Sanitation Distribution**
Commercial cleaning products, sanitation supplies, paper products, facility hygiene and replenishment items.

**MRO & Facility Supply**
Maintenance supplies, industrial hardware, safety items, repair consumables and essential facility infrastructure products.

**Procurement & Logistics Support**
Responsive quoting, sourcing, order coordination, priority restock support and Government Purchase Card purchasing.

## WHY CLEAN STATE

- Local, agile response model for time-sensitive requirements throughout the D.C. metro region.
- GPC-friendly purchasing support, straightforward quoting, and responsive communication.
- Military-informed discipline, accountability, safety awareness, and equipment control practices.
- Multi-category sourcing across office, sanitation, MRO, breakroom, and facility requirements.
- Customer-focused execution designed to reduce delays, procurement friction, and administrative burden.

## LEADERSHIP & OPERATIONAL FOUNDATION

Company leadership brings 8+ years of administrative, financial, facility, hospitality, and operational experience, including commercial property administration, hotel operations supervision, and U.S. Army service involving training leadership, safety and compliance, equipment accountability, translation/interpreting, and operational coordination. These experiences represent leadership background - not Clean State corporate past performance.
